

Taft Says 'Fair Deal' Will Bring Austerity

Ohio Senator Hits All Of Truman Plan

Washington, Nov. 15—(AP)—Senator Taft (R-Ohio) said today that adoption of President Truman's program next year would add more than \$16,000,000,000 to the federal deficit and lead America to "stagnation and austerity."

Taft attacked "the entire Truman program" in a statement from his office here. The Ohioan, chairman of the Senate Republican policy committee, was in his home state pressing his campaign for reelection in 1950.

"We face a deficit of \$5 1/2 billion," Taft said. "Yet the Truman program would add to that \$6 billion for compulsory medicine, \$6 billion for the Brannan plan, \$4 billion for UMT and other billions for services of all kinds."

Blasts Higher Taxes

His references were to the system of compulsory health insurance frequently advocated by the president, to the "production payment" plan for keep up farmers' income sponsored by Secretary of Agriculture Brannan, and to a long-pending proposal for universal military training—"UMT."

Taft asked in his statement: "How can we increase our federal tax 50 per cent without choking the development of all business expansion and creating vast unemployment?"

President Truman, Taft continued, argues that anybody who "objects to the expense of any of his plans is a reactionary."

Disputing this, Taft said opponents "are convinced that only a continuation of our present system of liberty and particularly liberty from government controls can reach the goals of the Utopia which he describes."

Turn American Back

"The Truman program based on dictation by government of the daily lives of the American people can only turn America back to stagnation and austerity," Taft added.

The Republican senator said anyone who reads President Truman's speech of November 3, which was delivered in St. Paul, must realize that he intends in 1950 to ask for a congress which will adopt the entire Truman program.

He added that this program now includes "price-fixing and other controls which he himself referred to in 1947 as police-state methods."

The GOP senator said the president wants:

1. Power to fix prices, to fix wages, to control distribution, and the necessary rationing that goes with it, and to put the government into business it desires to enter.
2. A farm plan involving "complete power to impose production controls on farmers." Taft said under this the "government would tell farmers how many acres of wheat, corn and soy beans they can raise; how many hogs they can sell; how many beef cattle they can feed, and dairy cattle they can handle; and how many chickens they can keep."
3. The government to "guarantee every man a job, but it can only do that if it is given power to tell every man what job he shall take and at what wages."

New Electrical Union Of CIO Asks Plant Elections

Washington, Nov. 15—(P)—The CIO's new electrical union today petitioned the National Labor Relations board for collective bargaining elections at all major electrical manufacturing firms.

It was a direct challenge for a test of strength with the left-wing United Electrical Workers union which was tossed out of the CIO at the labor organization's recent convention.

Westinghouse Electric corporation already had asked the government to step in and straighten out confusion from the right-left wing squabbles among its 70,000 workers.

The new CIO union is called the International Union of Electrical, Radio and Machine Workers.

Roberts, NLRB counsel, announced the new union has petitioned for company-wide elections in plants of Westinghouse, General Electric, General Motors and scores of other major electrical and radio plants where the UE now has contracts.

TO RELEASE ARCHBISHOP

Trieste, Free Territory, Nov. 15—(AP)—The Communist-controlled Yugoslav radio said tonight that the Archbishop Alojzije Stepinac from prison.

The Roman Catholic archbishop of Zagreb was sentenced to 16 years imprisonment in October, 1946, for crimes against the state.

Jury Finds Burgman Traitor To Country

Washington, Nov. 15—(P)—Slumped in a wheelchair, Herbert J. Burgman, 53, former clerk in the U. S. embassy in Berlin, was convicted of treason today for broadcasting Nazi propaganda during World War II.

The maximum penalty for treason is death; the minimum, five years in prison and a \$10,000 fine.

Still suffering the after effects of a heart attack, Burgman heard the verdict without visible emotion. He stared dully at the floor until he was wheeled out of the courtroom and taken back to the district jail infirmary.

Burgman was the third American convicted this year of the crime mentioned in the U. S. Constitution—betrayal of his country in wartime.

The other two were Maine born Mildred E. (Axis Sally) Gillars, 48, sentenced on March 25 to spend 10 to 30 years in prison for her broadcasts over Radio Berlin, and Mrs. Iva Toguri D'Aquino, 33, known as "Tokyo Rose," who was sentenced Oct. 6 to 10 years in prison and a \$10,000 fine for her Japanese propaganda broadcasts.

Altogether, 15 Americans have been tried for World War II treason and eight have been convicted.

A federal jury of seven men and five women reached a verdict of "guilty as charged" against Burgman after five hours of deliberation.

Judge Alexander Holtzoff did not announce when he will pass sentence.

Burgman, a native of Hokah, Minn., admitted during the five-week trial that he made broadcasts over the German shortwave radio "Station Debunk"—purportedly broadcasting from a hidden location in the American mid-west but actually originating in Berlin. He said he used the name "Joe Scanlon."

He denied, however, that he intended to betray the United States, and contended that he was driven to broadcast by fear of the Nazi Gestapo, after being "abandoned" in Germany by the American embassy.

Government prosecutors said Burgman refused to return to this country with other diplomatic personnel after the outbreak of the war.

J. Roosevelt Bids For Governorship

Washington, Nov. 15—(P)—Peoria, Ill., today was allotted 850 units for construction under the new low rent public housing program.

The Public Housing administration said the Peoria housing authority plans a two year program with 450 units to be built the first year and 400 the second.

The authority asked a \$220,000 preliminary loan which must be approved by the president before it can be granted.

Hunt For Maniac Killer Of Girl, 6, Spreads To Mexico

Los Angeles, Nov. 15—(P)—Strangled with a man's tie, the mutilated body of six-year-old Linda Joyce Glucoft was discovered today under a pile of rubbish a few doors from her home.

Police began a manhunt that tonight had widened into Mexico for a 66-year-old retired baker, Fred Stroble, who had been living in the house where the little girl was last seen alive late yesterday.

Det. Sgt. Bill Brennan said "All the evidence points to rape."

A preliminary autopsy by Dr. Frederick Newbarr said a tie had been wrapped so tightly about the little girl's neck that a button mark was deeply imbedded in her flesh.

There were 10 black and blue marks across her upper back, two puncture wounds a half inch deep of her right breast. The punctures may have been made with an ice pick.

There were 12 deep gashes on the child's head, all deep. Dr. Newbarr said, before her death, a bloody axe was found near the body, which was wedged between a backyard fence and the incinerator. The axe is believed to have been used to bash in the girl's head. Her panties and an eight-inch knife were in the incinerator. Empty whisky and wine bottles lay nearby.

The hacked body of the child had been wrapped in an Indian blanket. The blanket, said Brennan, came from the home of Mrs. Ruben Hausman, mother of a playmate of Linda's.

A police broadcast, ordering the arrest of Mrs. Hausman's father, Stroble, said in part: "Suspect is believed to have murdered Linda Joyce Glucoft, six years, this city."

TAKES TWO MONTHS TO FIND HE LOST \$19,000

Los Angeles, Nov. 15—(P)—John G. Maulhand lost \$19,000 cash—maybe three months ago—but he didn't find it out until today.

Police were advised that Charles W. Sigart, 21, had surrendered \$17,000 to St. Louis police and told them he stole it from Maulhand's safe. Maulhand, a produce merchant, was surprised when police told him about it. He said the last time he had opened the secret vault was Aug. 18.

DIES OF HEART ATTACK

Chicago, Nov. 15—(P)—Clarence Johnson, 78, a retired McLean county farmer, suffered a fatal heart attack today in the union station.

The body is being returned to Bellevue, near Bloomington. Johnson is survived by his widow.

Illinois News Briefs

Chicago, Nov. 15—(P)—The new miracle hormone Acth is dangerous in unpracticed hands, a researcher said today.

The drug has brought dramatic relief to sufferers of crippling arthritis and rheumatism and has showed promising results in other diseases.

Waukegan, Ill., Nov. 15—(P)—A coroner's jury decided that the death of a man who was slugged with a beer glass during a tavern brawl was accidental. But it recommended that the man who swung the glass be tried on a charge of manslaughter.

The victim was Victor Thompson, Sr., of Waukegan. Thompson's son, Victor, Jr., testified that his father was not on the head Nov. 2 during a row over a shuffleboard game in the tavern.

Oblong, Ill., Nov. 15—(P)—A chance visit to the Christian church by a relative was credited today with saving the lives of the Rev. Paul Keeling, his wife and their two-year-old son, Paul, Jr.

Mrs. Keeling's mother found them overcome from gas escaping from a temporary stove being used while a furnace was being installed yesterday. Firemen worked on the three for two hours to revive them.

Anna, Ill., Nov. 15—(P)—A jury today ordered a tax collector to pay Edwin Fitch \$1,100 damages for striking Fitch with a blackjack after taking his car in lieu of unpaid taxes.

W. J. Grammer, 55, who was ordered to pay the damages, is a Jonesboro policeman who had a contract to collect taxes for Union county.

Fitch, 51, a Wolf Creek school bus driver, owed the county about \$100 in taxes. When Grammer went to Fitch's home Oct. 22, 1948, Fitch said he was not able to pay.

Spring Valley, Ill., Nov. 15—(P)—Eugene Nanni, 20, of Cherry, in Bureau county, died today of injuries suffered Sunday night in an automobile crash near Ladd. His death was the second in the accident. George Link of Peru was the other victim.

Springfield, Ill., Nov. 15—(P)—Governor Stevenson said today he is "happy to see" the recent crack-down on gambling in Illinois.

Stevenson told reporters he understood the shutdowns were brought about "through the efforts of local authorities."

"I'm very happy to see this action and I am well pleased with the result."

Valmeyer, Ill., Nov. 15—(P)—Arthur W. Schmidt, 45, was crushed to death yesterday when the bed of a dump truck fell on him while he was making repairs. The accident occurred on his farm near here.

Marion, Ill., Nov. 15—(P)—The Williamson county board of commissioners was headed today by a democratic chairman for the first time since 1940. Lezern Saylor was elected, succeeding Joe Miller, republican defeated recently by William R. Montgomery, democrat.

Olney, Ill., Nov. 15—(P)—A drive-in restaurant, "The Sisters," near Noble was burglarized last night of \$600 in cash and supplies. Authorities sought to connect it with a \$322 burglary the night before from the Home Loan and Finance Company of Olney.

UMW Pays Fines Of \$1,420,000 To US For Contempt

Washington, Nov. 15—(P)—John L. Lewis paid up today.

The United Mine Workers' lawyers handed over \$1,420,000 to Harry M. Hull, U.S. district clerk. That's the penalty, judge T. Alan Goldsborough put on Lewis and his miners for their refusal to obey a court order and stop the 1948 coal strike.

Welly Hopkins, the miners' top lawyer, sorrowfully told reporters: "This probably is the biggest fine ever paid by a defendant in the federal courts—certainly the biggest ever paid by a labor union."

Only last Monday the miners had lost their last hope: the Supreme Court refused to hear their appeal. Lewis left to the lawyers the onerous chore of paying up.

They arrived promptly at 11 a.m. with a \$1,400,000 check to cover the contempt fine against the union. They also had \$20,000 in cash for the contempt fine against Lewis.

Will Haunt Sister If She Spends His Estate On Ponies

Camden, N. J., Nov. 15—(P)—L. Scott Chersky, Camden attorney, made only one proviso in leaving the bulk of his estate to his sister, Mrs. Clara Task.

It read: "I want my executrix (Mrs. Task) that should I find that any of this money is being used to pay 'bookie' debts then I will come back and haunt her."

Chersky, whose estate was valued for probate purposes today at upwards of \$3,000, was stricken at Garden State race track on Oct. 31, and son, Rickie,

Reich Leader Says West Agrees To Stop Dismantling Industry

Bonn, Germany, Nov. 15—(P)—first over-all picture of the decisions reached by the American, French and British foreign ministers at their Paris conference last week.

He spoke just after a three-hour talk with the three allied high commissioners at their headquarters at Petersberg, just across the Rhine from Bonn.

He told parliament the occupying powers are standing firm, however, on the continued dismantling of German plants devoted exclusively during the war to making war materials. Such plants go for reparations.

The slow-down in dismantling of steel and synthetic oil and rubber plants will be ordered while further negotiations are in progress, Adenauer explained.

U.S. May Ask For 60-Day Truce Against Coal Strike

Washington, Nov. 15—(P)—The White House may ask John L. Lewis for a 60-day truce against a new coal strike, a top official said today.

This close adviser of President Truman said some White House officials favor quick use of the injunction provisions of the Taft-Hartley law to bar a new mine strike on Dec. 1. The present truce declared by Lewis expires then.

Ask Fact-Finding Board

Another group of White House advisers, according to this official, wants Mr. Truman to offer Lewis a special fact-finding board outside the Taft-Hartley law.

"This offer," he said, "if accepted, would call for a truce of it least 60 days."

Poignantly up the bitter dispute between the miners and operators, Lewis' union headquarters issued a statement saying two big coal companies have raised coal prices to the retail dealer from 25 to 75 cents a ton. The statement quoted a union spokesman as saying "the coal companies are setting the stage for a gigantic price gouge of the American public."

Will Blame Union

The statement continued: "These unjustified price increases undoubtedly will lead to a further rooking of the American people by other companies. And then as always, these far corporations will try to blame the union."

"They'll tell you that the men who go down into the pits and their union leaders are pricing coal out of the market. Well, the coal miners are still working under the terms of last year's agreement. And last year the industry made more money than ever before."

The statement said that the latest wholesale price increases probably will mean a boost from 50 cents to \$1.50 a ton in retail coal prices.

Install Men Who Will Set Route Of Mississippi Road

St. Louis, Nov. 15—(P)—The men who will help determine the course of the proposed Mississippi river auto parkway were installed in office today.

Representing the 10 states bordering the Mississippi, the men will conduct a survey at expense of the federal government and make recommendations as to the route the scenic drive will follow.

They will decide, among other things, which side of the river is more suitable. That promises to be their toughest problem.

The survey commission is headed by A. P. Greensfelder of St. Louis, who was re-elected "pilot." He will be aided by co-chairmen J. Lester White of Baton Rouge, La., and O. L. Kipp, St. Paul, Minn.

D. S. Mayagaw, assistant engineer of the Illinois division of highways, was named secretary.

Extradites Three Youths To Decatur

Little Rock, Ark., Nov. 15—(P)—Governor McMath approved extradition of three young men to Decatur, Ill., to face car theft charges.

The three, Jack Shaffer, 20, Dean Shaffer, 21, and Loran Womack, 20, are charged with stealing a car in Decatur Nov. 7 and driving it to Hope, Ark. They were arrested by Arkansas state police.

Howard Gladden, administrative assistant to McMath, said Sheriff A. C. Ammann of Decatur is on his way to Hope to take custody of the men.

DIES OF POLIO

Decatur, Ill., Nov. 15—(P)—Bobby J. Grubaugh, 21, a farmer of Monticello, Ill., died in Decatur City hospital today of polio.

Doctors said he was stricken last Thursday and brought to Decatur Sunday. Grubaugh leaves a wife, Frances, and son, Rickie.

Mediators Gain Truce Extension

Washington, Nov. 15—(AP)—A strike of 2,000 AFL dock officers operating from Gulf and Atlantic coast ports, which had threatened to tie up all shipping in the region, was postponed tonight on the plea of government mediators.

The strike had been called for midnight.

Little more than an hour before that deadline, a 30-day extension was agreed upon, subject to approval of the rank and file of the AFL Masters, Mates and Pilots and the 38 companies making up the employers' group from Atlantic and Gulf ports.

The deadline for approval by the union and employers is next Monday.

A strike will be possible if either party rejects the peace plan as early as next Tuesday noon, Nov. 22.

Terms of the contract between the dock officers and the employers which expired Sept. 30 will be extended until 12:01 a.m. Dec. 16 under the plan. If both sides approve it by next Monday.

The announcement of the removal of the midnight strike threat was made by William N. Margolis, assistant director of the federal mediation service. Margolis took over the dispute on Monday when the government asked the parties to come to Washington for peace talks.

The central issue in the dispute is the union's demand for rotary hiring halls—by which union members would get the jobs available in turn. The union wants to spread employment by having its members take turns shipping out.

It was learned that other AFL unions were anxious to avert a tieup. They were pledged by AFL President William Green to respect picket lines and to support the dock officers' strike in every way if it developed.

Such support could tie up all shipping in the east except inside ports or on coal barges, oil tankers and ships of the armed forces.

The contract extension, third since Sept. 30, was thrown into the deadlocked dispute by Margolis as a last resort.

The shipworkers members of the American Merchant Marine Institute, were vigorously opposed to setting up a fact-finding board with authority to recommend a settlement. The union was agreeable to such a solution.

Major stumbling block was the union's demand that the present preferential hiring arrangement which gives it a virtual union shop, be brought into what is termed a rotary hiring hall.

Just 34 Persons Are Invited To Veep's Wedding

St. Louis, Nov. 15—(P)—Just 34 persons, all but one of them members of the immediate families, are on the guest list for the wedding of Vice President Barkley and Mrs. Carleton S. Hadley Friday morning.

The exception is William Vaughan, civilian aide to the vice president. The single-ring ceremony is scheduled for the chapel of St. John's Methodist church at 11 a.m. (CST).

In addition to the regular guests two representatives from each news service, two from each St. Louis newspaper and two from each local radio station will be admitted. But no photographs will be permitted.

Television set viewers may watch the activities outside the chapel from 10:45 a.m. (CST) until noon. A television broadcast (NBC) also is planned from a luncheon at the home of Mrs. T. M. Sayman after the ceremony. News photographers also will be welcome at the luncheon.

Following the luncheon the bride and groom will leave on a honeymoon but the destination will not be announced.

WILD DEER JUMPS INTO ZOO AND STAYS

Cedar Rapids, Iowa, Nov. 15—(P)—A wild deer jumped an eight-foot fence to get into the Cedar Rapids zoo, and he stayed.

The deer could leave the same way but parks commissioner Richard Jones doesn't think he will. After all, says Jones, where else could he find shelter and food at city expense and the company of five does?

ST. LOUIS BUILDING SOLD TO CHICAGO MAN

St. Louis, Nov. 15—(P)—A Chicago businessman bought the 17-story Pierce building in downtown St. Louis, it was announced today.

The building, which is tenanted principally by insurance companies, was built in 1907. The purchase price was reported to be \$1,500,000.

Nathan Perlman was the buyer and the Income Leasehold company of St. Louis was the seller.

MANY AMERICANS WHO WROTE MEDINA TYFIFY FAIRNESS CODE

When he finished presiding over the trial of the 11 Communist leaders, Federal Judge Harold R. Medina wanted only rest and quiet. Instead, he has reaped a strange reward that in its way is as exhausting as the ordeal of the nine months' grueling trial.

Medina has been showered with 50,000 letters from all over the country. Virtually all are congratulatory. They ask him to accept medals, to make speeches, to run for political office. Even with added secretaries the judge hasn't been able to read or even open all the messages.

Besides all this the judge is getting long-distance telephone calls from well-wishers at scattered points.

So, far from lolling around in an easy chair, the weary Medina is hard at work grinding out answers to the dozens of letters that require replies. He is beginning to think that rest is an illusory state never to be attained.

The judge has talked some about the letters he's received and they tell us quite a bit about the character of the American people. The individuals who are writing him now, he says, all seem to feel that it would have been improper to comment before the trial was ended. They did not wish to be charged with seeking to influence him.

This attitude is in drastic contrast to that shown by the many who did write during the trial. Most of these correspondents piled violent abuse upon the judge, for they were the friends of the defendants. But some took the other side. They belonged mainly to the school that demands "lock the bums up" or "give 'em a fair trial and hang 'em."

The post-trial response seems striking for several reasons. It must be gratifying to all Americans to know that so many of their fellow citizens are governed by the code of fairness that is expressed of implied in these messages.

Furthermore, it is unusual for a judge to draw such tributes as have poured in. Americans write their congressmen or their newspaper with great frequency and gusto. But they don't often comment on the conduct of the judiciary.

Possibly most vital of all, the tremendous flood of letters suggests that Americans are deeply aroused over the threat of communism in their lives. While the tedious trial was dragging they seemed little concerned. But once the result was known, they disclosed that they had been watching carefully to see how the judge and jury would meet the problem.

If they had been interested simply in smacking the Communists down hard, they would not have waited so patiently until the end to voice their views. That they decided to write appears to indicate, therefore, that these citizens believe the law under which the defendants were tried is a fair one and that the outcome was fairly arrived at.

They clearly wanted an answer to the Communist menace, but they wished it to be the right one. Now the U. S. Supreme Court must decide whether the defendants' conviction and the law that brought them into court are indeed fair and sound in an America always careful to guard its freedoms well.

THE DOCTOR SAYS

Begin Treatment Of Stuttering Early For Results

By Edwin P. Jordan, M.D.
Written for NEA Service

Stuttering, sometimes called stammering, is a common condition. It has been estimated that there are about 1,300,000 people who stutter in the United States.

Stuttering is a nervous or emotional disorder. The exact cause is not known. Probably some children are born predisposed to the disorder; that is, they may be called a "stutterer-type." Stuttering is not inherited but the nervous constitution which makes for susceptibility to this speech difficulty is probably inborn.

Children of the "stutterer-type" may live for a long time without developing any speech defect unless they have some shock or accident which upsets their nervous system. Then something happens which brings out the difficulty for the first time. Also sex plays some obscure part as there are nearly five times as many boys who stutter as there are girls.

Begin Cure Soon
There are two stages in the development of stuttering. The chances of stopping the trouble are much greater in the first stage before the child develops anxiety and feeling of inferiority. A stuttering child should never be punished with a hope of breaking him of the habit. They can't help it. The treatment at this stage is principally to slow down the pace of living and remove as much excitement and tension as possible. Family quarrels, games, amusements which are too exciting, and similar stimulations, should be avoided.

A great deal has been learned about stuttering and its treatment in recent years. When treatment is begun early the results are often astonishingly good. Many famous people have suffered from speech defects, including Moses, Aristotle, Virgil, Charles Lamb, and Clara Barton, the founder of the American Red Cross. Great accomplishments can, therefore, be made in spite of a speech defect of this sort.

Note: Dr. Jordan is unable to answer individual questions from readers. However, each day he will answer one of the most frequently asked questions in his column.

The Doctor Answers

Question: What causes the mouth and tongue to be coated all the time?

Answer: There are many possibilities of which heavy clear or pipe smoking are perhaps the best examples.

What It Means: Power For U. S. Navy Secretaries

Washington—The recent change in the Navy's top command serves to point out one fact: The Navy's real boss is the secretary. No man in uniform can override him once he has made up his mind.

When a man is made chief of naval operations he becomes the highest ranking active officer in the Navy. He has command of the fleets and has the responsibility for keeping them ready for war. But the secretary always has command of him.

The job of chief of naval operations is a relatively new one. It wasn't created until 1915. Before then the secretary personally exercised control over all the fleets and bureaus of the Navy department.

The office of secretary was created in 1798. The bureaus were established in 1842.

When the office of the Chief of Naval Operations was created, by law this country was following the British pattern. At the head of the British navy is a civilian, the first lord of the Admiralty. Under him is a professional sailor who manages the navy for him. His title is first sea lord.

The powers of our chief of naval operations (CNO) were at first rather vague. The law said that he should, "under the direction of the secretary of the Navy, be charged with the operations of the fleet, and with the preparation and plans for its use in war." But the CNO was not clearly in command of the Navy. To correct this, during World War II the CNO was made commander-in-chief of the U. S. fleet. Fleet Adm. Ernest J. King held the dual position.

Shortly after the war was over, President Truman abolished the office of the commander-in-chief of the U. S. fleet and in an executive order gave a new, clearer definition of the powers of the CNO. The order stated flatly that the secretary of the Navy was the commander of the Navy, under the president, but that the CNO "shall have command of the operating forces comprising the several fleets, seagoing forces, sea frontier forces, district and other forces, and the related shore establishments of the Navy, and shall be responsible to the secretary of the Navy for their use in war and for plans and preparations for their readiness in war."

Most of the orders to the various bureaus and other units of the Navy issue from the office of the CNO. In one field, however, he does not actually have command. In matters concerning the procurement of materials he exercises only an advisory function. This is considered a type of work which can be best done by civilian specialists. So it is handled primarily by the assistant secretaries and the secretary.

He Couldn't Give Away Advice—So He Sells It

By Hal Boyle

New York—P— "I grew up," said Morey Amsterdam, "the day I discovered you can't give people good advice—you have to charge them for it."

Amsterdam is one of the top funny men of television and radio. This is the new Amsterdam. The old Amsterdam was just a gag writer for other comics.

As a youthful performer Morey—he joked and played a cello—used to try to suggest to the stars the hero-worshipped ways they could improve their routine.

"They just laughed me off," he said. "Then I went into professional gag writing. And five years later they were paying me \$3,000 to \$5,000 for the same material I had tried to give them for nothing."

He himself got an excellent bit of advice from one star for whom he wrote movie dialogue—Will Rogers. "Don't offend anyone," the genial cowboy wrote on one of about 100 postal cards he mailed Morey over the years. "I set by because no matter what I say about anyone I always wind up saying something good about him also."

At 37 Morey, one of the best ad libbers in the trade, figures he has coined himself some 10,000 gags.

"For a while I was doing 70 shows a week and had to throw 200 jokes a day," recalled Amsterdam, who now has his own program on the Du Mont television network.

"I believe I really know a million jokes. Some comedians keep a file. I don't. It's a waste of time. Morey has a theory what defeats most comedians is lack of confidence in their own jokes."

"You have to tell them like you think they're funny yourself," he said.

"Old material alone never really killed a comedian. No matter what joke you tell—it's new to a large part of your audience."

Amsterdam is a song writer as well as a comic. Among his best known are "Why, Oh Why, did I Ever Leave Wyoming," "Rum and Coca-Cola," and the current "Yuk a Puk."

"The first thing I ever sold was a song to Sophie Tucker when I was 14 years old," he recalled. "She was in San Francisco. I went backstage and sang the song to her — her brother played piano — and she bought it on the spot for \$50."

Once Amsterdam was a guest at the White House and President Roosevelt asked for a few gags he could tell his visitors.

"Slip my name into one of those fireside chats," said Morey, "and I'll write you a whole routine."

CONDUCT REVIVAL

REV. AND MRS. WILLIS

A two-weeks series of revival services, in the charge of Rev. and Mrs. Willis of Centralia, began Monday evening at the Church of the Nazarene, at South Main and Franklin streets.

The services, which are being held at 7:30 o'clock nightly, will be concluded on Sunday, Nov. 27. Music will be by the Grove Sisters of Brusect Mills, West Virginia.

The public is invited to attend. Rev. S. P. McKay is pastor of the church.

Music Clubs Begun In Grade School At Murrayville

Murrayville — Music clubs have been organized in the two upper grades of the community grade school, and monthly programs will be presented with the theme of developing each individual's appreciation of music.

In the third and fourth grades, a tonette band has been started. Many pupils have purchased their own instruments in red, green or yellow, while black ones may be rented from the school.

A rhythm band has been begun in each of the two lower grades, with the first graders making their own instruments. The three bands will appear on the Christmas program at the December P.T.A. meeting.

Officers for the fifth and sixth grade club are Bobby Craig, president; John Davis, vice president; Fats Phillips, secretary and treasurer. Those for the seventh and eighth grade club are Jimmy Symons, president; Helen McGrath, vice president; Gerry Harp, secretary; Charlotte Sunderland, treasurer. A record player, tonettes, drums and other music equipment are the goals of the food sale sponsored by the pupils of the two upper grades and the minstrel to be given Nov. 22.

Student Shows Prints Of Japan At Club Meeting

Kodachrome prints of Japan were shown at the meeting of the Jacksonville Junior Woman's club by William E. Lucas, a student at Illinois college, who returned from that country in August of this year.

Included in the group of prints were various shrines, buildings and landscapes as well as native costumes both for daily wear and special occasions.

Special guests at the meeting were Mrs. E. H. Sheppard, Morgan county director, who presented an acoustic on the federation and Junior Woman's club activities, and Miss Anastasia Auger of Jerseyville, 20th district junior director, who spoke on the work of the federation. Mrs. Emily McNeely and Mrs. Betty Mosley were also guests.

Following the program, plans were discussed for the bake sale Nov. 19 and the Christmas party.

Hostesses for the evening were Mrs. Bayard Hopper, Miss Maurine Coulson, Mrs. Marion Schell, Miss Pauline McCarty, Miss Helen McManus, Mrs. William Hodgson and Mrs. Marlene Glenn.

The next meeting will be held at the Dunlap hotel on Dec. 9.

Final Rites For Miss Helen Rea Are Held Tuesday

Funeral rites for Miss Helen Rea were held at the Reynolds Chapel Tuesday at 2 p. m. with Rev. Aris Vandenhoeft officiating, assisted by Rev. A. D. Herman.

The soloist was Mrs. Francis Plouer, who sang "In the Garden" and "Beautiful Isle of Somewhere," accompanied at the organ by Mrs. G. O. Webster.

The floral tributes were cared for by Dorothy Taylor, Mrs. Keith Sutcliffe, Mrs. William Lonergan, Mabel

Howard, Mrs. Ward Ivers and Mrs. Merle Hellwell.
The pallbearers were Keith Sutcliffe, William Lonergan, Ward Ivers, Ray Winter, Charles Rhodes and Merle Hellwell.
Interment was in Memorial Lawn cemetery.

An alley like this is an asset!

You can have it—at low cost—with CONCRETE

There's no reason why alleys should be dirty and unsightly, muddy or dusty.

A clean, sanitary concrete alley costs surprisingly little. And what a difference it makes! Easy to keep clean, it encourages neighborhood neatness, adds to property values, and provides an all-weather driveway to your garage. Concrete alleys will serve you for a generation at negligible upkeep cost.

Get together with your neighbors. Ask your city officials how you can get a clean, good-looking concrete alley pavement.

Report On Foreign Aid Says Europe Must Lower Prices

Washington, Nov. 15.—(AP)—President Truman today sent to Congress a Marshall plan report declaring that Europe must lower its prices to compete in the United States market for the American consumer's dollar.

"The United States, of course, must be willing to accept greater competition from European supplies in order to help Europe pay its way," said the study prepared by the economic cooperation administration.

Even if European sales in the United States were doubled—thus restoring Europe's pre-war share of this market—the volume would represent less than one per cent of this country's total output and would "only be scratching the surface of the American market," Congress was told.

"The participating countries must intensify their export drive to the dollar areas if they are to attain independence from extraordinary outside assistance," the report went on.

"This will require on the part of many European businessmen a reorganization of factory methods, installation of new and more efficient machinery in order to reduce costs, greater attention to merchandising and advertising, redesigning of products and packaging to suit American preferences, and a determination to serve American customers with the care and attention they receive from American producers."

Farm Prosperity Depends On More People Having Good Jobs At High Wages

Chicago, Nov. 15.—(AP)—Farm prosperity depends on more people having good jobs at high wages.

This view was given today by Arthur R. Upgren, professor of economics at the University of Minnesota. He spoke at an Illinois Farm Supply company meeting, held in connection with the 35th annual convention of the Illinois Agricultural association.

Upgren, who also is associate editor of the Minneapolis Star, noted that 55 per cent of American Farmers' income is from animal products.

Stepping up meat consumption will keep farmers prosperous, he declared. But to do this, he said, more people must have good jobs, and he added:

Need High Wages
"High wages are necessary because only high wage families can buy meat in adequate amounts to make agricultural prosperity."

Illinois Farm Supply is one of several farm cooperatives which timed their annual meetings to coincide with that of their parent group, the I.A.A.

Another co-op, the Illinois Grain Terminals company, heard that co-ops have narrowed margins and cut the costs of handling commodities, giving the consumer more for his dollar. The speaker was Don E. Edison, executive secretary of the Farmers Grain Dealers association of Iowa.

Livestock producers were advised to market lighter hogs to meet a growing demand for leaner pork. H. W. Trautman, manager of the Illinois Livestock Marketing association, made the appeal. He said lighter hogs also will help ease the over-supply of lard that has forced lard prices down.

Illinois Wool producers are feeling effects of consumer resistance to present clothing prices. This was reported to the Illinois Wool Marketing association by its president, William Temple of Seely.

Outline Dairy Plan
A five year program for Illinois Dairy cooperatives was outlined by Roland W. Bartlett, professor of agricultural economics at the University of Illinois. Addressing patrons of Prairie Farms creameries, he urged that milk processing and distribution costs be cut two to three cents a quart. This saving should be passed on to consumers, he said, to boost milk consumption.

J. P. Mason, secretary of the Illinois Milk Producers Association, told this group that dairy farmers can expect less money for their milk in 1950. He said the domestic demand for bottle milk and dairy products probably won't be as strong as this year, and the export demand will be less, too. He also said there will be a tendency for milk prices to be down.

A. E. Richardson, director of the I.A.A. Insurance service, reported that for the fifth straight year Illinois farmers have broken all records for insurance bought in the three companies associated with I.A.A.

WRC PAST PRESIDENTS TO MEET WEDNESDAY

Waverly—The regular monthly meeting of the Waverly Parent-Teachers Association will be held on November 17, at 7:30 p. m. The program will consist of a film entitled "Basketball by the Code," and a reading by Marian Smart.

Farm Women Told Delinquency Stems From Community

Chicago, Nov. 15.—(AP)—Illinois Farm Women were told today that juvenile delinquency stems from community delinquency.

This theory was expressed by Norman R. Gutry, executive secretary of the Miami county (Ohio) mental hygiene association. He spoke at an Illinois Home Bureau federation conference.

Check delinquency, he urged, by producing mental health. This can be done, Gutry said, through home and community life that stresses cooperation and education.

"We believe that a community cannot be neutral," he declared. "It produces either illness or health, and our program is an attempt to secure community cooperation for the production of a greater degree of mental health."

Head Of Anaconda Copper Mining Co. Dies In Montana

Butte, Mont., Nov. 15.—(AP)—J. R. Hobbs, president of the Anaconda Copper Mining company, died of a heart attack here yesterday.

Hobbs and other New York officials of the company arrived here Friday on a routine inspection tour. Hobbs joined Anaconda—which with its subsidiaries is believed to be the world's largest copper producer—in 1922. He became a vice president and director the following year, and was named president of the company in 1940.

He was born in Madison, Wis., in 1883, and attended the University of Wisconsin.

He lived in New York City and is survived by the widow and one daughter, Mrs. A. B. Harris, Scarsdale, N.Y.

NASH IS FIRST AGAIN—IN POWER!

Nash engineers have done it again! Now—for the first time—you can have all the thrill of super-compression power on regular gasoline!

You'd expect the company that's been ahead in the power parade for a third of a century to stay ahead—but wait 'til you drive a 1950 Nash Airflyte.

Take out a new Nash Ambassador. Its Turbo-head engine has a 7.3 to 1 ratio. Fill it up with "regular"—then tackle the worst hill you know—take the challenge of any other car at the traffic light.

And let the throttle tell the story!

Check your gas mileage for another surprise. No other car of Nash Ambassador size can come anywhere close to it in miles to the gallon.

And the Nash Statesman, with its high-compression engine, is equally outstanding in its class—with over 25 miles to the gallon at average highway speed.

What has Nash got the others haven't?

Exclusive sealed-in manifolds, for one thing. They utilize the leanest of mixtures. Uniflo-Jet Carburetion, for another. It means smoother performance.

20.7% Less Air Drag

Then, these great engines get another boost from America's best aerodynamic design—for Airflyte design has 20.7% less air drag than the average of nine other current cars tested.

And Nash alone has Airflyte Construction that is stronger, safer, without useless weight.

New-Hydra-Matic Drive

For the best test of all, see your Nash dealer and get the thrill yourself of Airflyte high-compression power. Try it in the Nash Ambassador with Hydra-Matic Drive (optional extra) and exclusive Selecto-Lift Starting.

And let the throttle tell the story!

**New Lower Prices—
\$73 to \$140 less
than last year!**

See the new and finer 1950 Nash Airflytes, with Super-Compression Power, Skyliner Lounge Interiors, and dozens of other new features, all priced far less than last year. Compare value—compare prices—you'll agree they are the best buy today.

Program Given At Franklin By Church Society

Franklin—The W.S.C.S. of the Methodist church met Wednesday afternoon at the church, with the president, Mrs. C. M. Hart, presiding. The program leader was Mrs. Marion Spire and her subject was "The Land Of The Crescent and Five Pointed Star." She was assisted by Mrs. Mae Vanwinkle, Mrs. Justin Washburn, Mrs. Clarence Jewsbury, Mrs. J. A. Williamson. The hostesses were Mrs. L. W. Linder, Mrs. Bernard Camm and Miss Fayne Linder. Dr. Roberts, the district superintendent of the Jacksonville district, preached at the Methodist church Sunday morning. At noon a pot luck dinner was served, after which Dr. Roberts held the quarterly conference for the first six months of the church year.

Mr. and Mrs. Don J. Tranbarger and family of Herrin, Ill., visited during the week end with his parents, Mr. and Mrs. Andrew Tranbarger. Don is the manager of a Gephart store and has been transferred to a bigger store at Canton, Ill.

Mrs. Greenup Edwards is spending a few days with her aunt and cousin, Mrs. Sarah Crist and cousin Helen at Greenfield, Ill.

Mrs. Almeda Fritz of St. Louis visited Mr. and Mrs. George Jolly and Mr. and Mrs. M. G. Seymour the first of the week.

John Oxley who has been recovering from an operation at Passavant hospital, Jacksonville, has been suffering from pleurisy, but is better now and hopes to get to come home very soon.

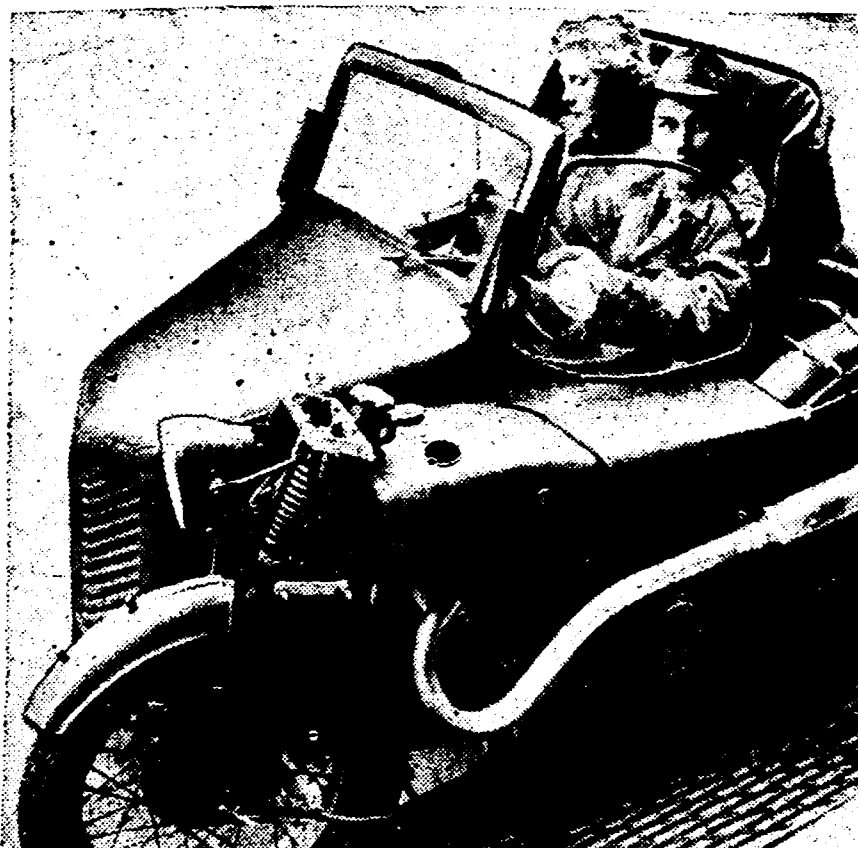

Keith Stulties received a severe injury to his right hand the first of the week when he caught it in a corn picker. Dr. Ladenheim dressed the wound and is caring for it.

VIRGINIA

Virginia—The following persons were visitors of Mrs. E. J. Fellow Miners Rescue Fifteen Trapped By Fall

Mahonoy City, Pa., Nov. 15.—(P)—Fifteen hard coal miners, trapped 600 feet underground last night by a rock fall, were rescued by fellow diggers who dug for six hours to reopen a blocked tunnel.

The men were working on the seventh level of the Maple Hill colliery of the Philadelphia and Reading Coal and Iron company. General manager Edward Fox said a mine car jumped the track, knocking down some supporting timbers and the

resulting rock slide filled the passageway with cascading rock and coal.

A score of fellow miners rushed to the scene and began digging frantically, encouraged by a response to their taps in the fallen rock.

Gradually enough of the debris was removed so that the trapped men could crawl to safety. They were taken on a small donkey engine to the shaft elevator and then to the surface, none the worse for their experience.

MEET AGAIN DECEMBER 1

Washington, Nov. 15.—(P)—A second meeting of the North Atlantic Treaty Defense Committee will be held in Paris on December 1. The French government will act as host to the 11 other treaty members.

The U. S. Defense Department said today it is expected that Secretary Johnson, selected as chairman by the Defense Committee at its first meeting in Washington last month, will head the U. S. delegation.

Loop Pavement Will Be Nearly Finished In Another 2 Weeks

Between two and three weeks of good weather will bring the completion of the loop paving and sewer project which has been in progress since late last summer, according to officials who are supervising the activities. The big job is moving along steadily on all fronts, and will be virtually completed by Dec. 1 if weather conditions remain favorable. All pavement has been laid on the loop streets and at the large intersections. The last cement for the new pavements was poured Saturday at the College avenue and Mauvaisterre street intersection.

70 Natives Killed As Train Coaches Plunge Into River

Pretoria, Transvaal, South Africa, Nov. 15.—(P)—A passenger train hurtled off a bridge into the Crocodile river 50 feet below, killing at least 70 natives and a European, it was reported today.

Another 100 natives are said to be seriously injured in the wreck which occurred at Waterval Boven in the wilds of the upper Transvaal.

Passengers were workers from Portuguese East Africa who were returning home after a period of service in the Transvaal gold mines.

Seven coaches of the train plunged into the river about 100 miles north of here when the bridge collapsed. It had been undermined by the flood-swollen waters.

Overheated Brake Sets Truck-Afire

The fire department was called out at 10 o'clock Tuesday morning to extinguish a blaze in a truck in the 700 block on East College avenue.

Mrs. L. D. Rouland was driving the truck, loaded with corn when it caught fire from an overheated emergency brake.

The fire spreading to the floor and boards.

Firemen used a large booster pump to extinguish the blaze. Although the truck was damaged, firemen were able to drive to a nearby elevator where the corn was unloaded.

The truck is owned by L. D. Rouland of East Independence avenue. Plastics, ordinarily good insulators, now can be made electrical conductors without affecting their strength and other desired properties, and will find greater service use in military and industrial applications.

Doris Lee German Becomes Bride Of William Hildreth

Miss Doris Lee German, daughter of Mr. and Mrs. F. J. German, 1443 South Main street, and William Hildreth, son of Mr. and Mrs. W. L. Hildreth of Cairo, Ill., were united in marriage in a double-ring ceremony performed Friday evening, Nov. 11, in Iowa City, Ia., with Dr. Dunnington receiving the vows.

Attending the couple were Ardeen DeFries of this city and Jim Cheatham of Chicago. The bride was attired in a suit of teal blue taffeta, with black velvet trim. Her corsage was of red roses, outlined with white carnations. Miss DeFries wore amber, with a corsage of tea roses. Following the ceremony, a reception was held at the Hotel Jefferson in Iowa City, with close friends of the couple in attendance. The bride is a graduate of Jacksonville High school and MacMurray college. Her husband, a graduate of Cairo High school and Illinois college, is now attending the University of Iowa school of law. He served three years in the armed forces. Mr. and Mrs. Hildreth will make their home in Iowa City.

Claims Horsemeat Is Being Sold In Illinois

Springfield, Ill., Nov. 15—(P)—The State Division of Foods and Dairies said today an investigation indicates that 50,000 to 60,000 pounds of horsemeat a week have been sold for human consumption in downstate Illinois during the last year.

As a result, State's Attorney Ben Robinson of Knox county issued warrants for the arrest of Robert R. Klotz and Matt Klaersch of the Roberts Meat company, Maywood, Ill.

The two men have been charged with possession of adulterated food in violation of state regulations. Robinson said they are not in custody and that the warrants have been turned over to Cook county authorities for serving.

Klaersch was arrested today at his Melrose Park home near Chicago on a Knox county warrant charging him with possession of adulterated foods. At Klotz' home, deputy sheriffs were told by a woman that he was "out of town." He is still sought on a similar charge.

Klaersch was taken to the criminal courts building for questioning by Frank Ryan, an inspector for the state department of agriculture. State investigators estimated the weekly gross income from the downstate sales at \$20,000.

A statement by the foods and dairies division said its inspectors uncovered the case when hamburger samples taken routinely at two retail markets in the Galesburg area were found to be horsemeat.

An investigation revealed the meat was purchased by the retailers from the Rath Packing company at Galesburg, the Division said. Rath officials said they bought the meat from the Roberts company at Maywood as "beef trimmings" and that it had been distributed to from 50 to 100 retail dealers in the Galesburg area. The State Division gave these further details:

The manager of the Rath plant told state inspectors his company had been buying from three to four thousand pounds of "beef trimmings" weekly from the Roberts company for the last year and it had been distributed to retail dealers throughout the area without complaint.

About 2,600 pounds of boneless trimmings purchased by Rath from the Roberts company were impounded by the state when inspectors called at the Galesburg company on Oct. 19 and laboratory tests showed the stock to be horsemeat.

State's Attorney Robinson confirmed the details. The Rath company offered full cooperation in the investigation and furnished invoices and cancelled checks.

The State Division listed the address of Klotz as 4428 North Dover street, Chicago, and that of Klaersch as 1646 North 21st.

The Division said the Maywood plant of the Roberts Meat company "is to all outward appearances a vacant store building. Windows are painted and there is no identification on the building."

Two trucks, both labeled "Roberts Meats" were seen loading at the Maywood building, the Division said. One was followed by inspectors to the Rath company branch at Gales-

Cpl. Hennessey To Serve With Army In Germany

Cpl. Thomas J. Hennessey, who spent the week end here with his sister Mrs. Margaret Angelo, and his brothers, William and James Hennessey, left Monday night for Camp Kilmer, from where he will be sent to Germany.

CPL. THOMAS J. HENNESSEY

Cpl. Hennessey enlisted in the navy in February of 1942 and after six years of service received an honorable discharge. In October of 1948, he enlisted in the army at San Francisco, Calif.

He has now completed seven years of service and expects the spend the remaining four years of his enlistment in Germany.

Prior to his overseas assignment, he did a year's tour of duty at Benicia Arsenal, Calif., in the capacity of artillery mechanic.

His brother, James, has just returned from Germany.

IF YOU'RE PALE AS A GHOST!!

When your skin has a pallor (sallow complexion) with that faded-out look, or your nerves are jaded and you have that "all-in" feeling, it is usually due to one thing, that is: BLOOD POVERTY

Your blood cells may be fagged-out or shrunken, and you might not realize it. Even if you eat the "best" foods you may not be getting all the good out of your meals simply because you have SLOW Digestion, without knowing it (or gassy stomach) and as a result you are a victim of Blood Poverty! In other words, your blood is not getting the fullest good out of what you eat. So your blood-cells become worn-down and you have only half as much energy as you really need, you get up in the mornings still tired, and your nerves become dull.

Hundreds here in Jacksonville suffered with "faded-out" blood, and stomach gas until they got CERTA-VIN. This is the new medicine containing 12 herbs blended with Vitamin B and Iron; you take it before meals and it works with your food. Benefit comes quickly. Your food digests FASTER, with less gasiness, and you get more good out of your meals. In a few days your blood is energized with new red cells and your nerves become stronger. Weak, rundown people tell us they soon feel different all over. And best of all, our price on CERTA-VIN is reasonable. You can actually take this New, modern medicine for only a Few Cents a Day! So don't go on feeling half-sick and half-well. Get CERTA-VIN—MACE'S DRUG STORE, 16 W. Side of Square. (adv.)

Carrollton AAUW Has Hobby Show

Carrollton—The regular meeting of the A.A.U.W. was held Monday evening in the high school building, with the feature of the evening being a hobby show under the supervision of Mrs. Marian Sullivan of Jerseyville. All members of the club were given a product of their hobby for the show. A part of the evening was given to a demonstration on "Dresden Art" by Miss Elizabeth Bell of Greenfield, a member of the faculty of the Carrollton high school. New members of the club are Mrs. W. H. Brown, Jr., and Mrs. J. L. Clements of White Hall; Mrs. Alan Grant and Mrs. T. Hough, Sr., of this city; Mrs. Alvin Pettit of Jerseyville and Miss Margaret Louise Smith of Greenfield.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Nov. 15.—(P)—A top price of \$18.10 for a few loads of choice hogs today was the lowest top on this market since controlled prices in June, 1946, had a ceiling of \$14.85 a hundred pounds. Generally the market was steady to 25 cents lower. Although salable receipts of 18,000 head were 4,000 above trade expectations, clearance of the run was completed early. Most good and choice butcher weights sold from \$15.75 to \$16.00. Sows mainly brought \$14.75 to \$15.25, but the top was \$15.50 for a few and heavyweights went as low as \$13.00.

Cattle were unevenly 50 cents lower to 25 cents higher. Choice and prime steers topped at \$40.00 for one load, and a dozen loads took \$34.00 to \$39.50 for choice quality. Most good to low-choice material was \$27.50 to \$33.00. Medium to low-choice heifers managed \$21.00 to \$29.25. Good cows topped at \$18.00 and good sausage bulls at \$19.00. Vealers looked steady to \$1.00 lower, closing at the decline. Medium to choice vealers ranged from \$23.00 to \$28.00, a few early hitting \$29.00.

Sheep were steady to \$1.00 lower. Woolled lambs topped at \$23.85, shorn at \$23.25, yearlings at \$20.50, and ewes at \$12.00.

Receipts on sale also included 8,000 cattle, 500 calves, and 3,500 sheep.

SOYBEANS RALLY ON CHICAGO MARKET

Chicago, Nov. 15.—(P)—Soybean futures rallied today on overnight reports that the government had bought quantities of soybean oil. Gains reached more than a cent at times before prices reacted somewhat.

Corn was firm on buying influenced by reports that the government plans a big corn export program. Wheat was weak most of the session on lack of export developments, with losses reaching more than a cent occasionally.

Deferred land contracts held steady to firm, but the November delivery dipped to \$9.12 a hundred pounds at one time, the lowest price for any land future in seven years.

Receipts were: wheat 8 cars, corn 109, oats 19, rye none, barley 5, soybeans 20.

Soybeans dipped again near the close and finished 1/2 higher to 1/4 lower than the previous finish. November \$22.15-\$22.21, wheat was 1/4 to 1/2 higher, December \$12.08-1/4, corn was 1/4 to 1/2 up, December \$1.20-1/4, oats were 1/4 to 1/2 down, December \$1.33-1/4, and rye was off 1/4 to 1/2, December \$1.33-1/4, and rye was 1/2 cents a hundred pounds to 5 cents higher, November \$9.30.

Tuition Policy On GI Students Will Not Change

Washington, Nov. 15.—(P)—A spokesman for the Veterans Administration said yesterday it has no present intention of changing its policy in payment of tuitions for G. I. students at Land Grant colleges.

The University of Illinois and several other similar schools have protested the VA's practice of deducting for federal grants from payments toward G. I. tuitions.

The VA's education advisory committee, headed by Robert B. Stewart of Purdue University, heard a number of protests over the weekend.

Unless Congress stops the practice, the VA spokesman said, the agency probably will continue to make the deductions.

The University of Illinois threatened last week to seek court action to stop the practice.

The VA estimates it has deducted \$15,000,000 from payments it might otherwise have made to land grant schools. The deductions are to offset grants to the schools by other federal agencies.

Dr. Francis J. Brown, secretary of the American Council on education, and Russell I. Thackrey, executive secretary of the Association of Land Grant Colleges and Universities, both said their groups oppose the VA policy.

Operations At Standstill In Livestock Mart

East St. Louis, Ill., Nov. 15.—(P)—Operations remained at a virtual standstill at nearby National Stockyards today while negotiators tried to end a strike of 400 AFL livestock handlers.

The National Stockyards company has accepted no livestock shipments since 9 a.m. (CST) yesterday and the embargo remained in effect.

A spokesman for the company said nearly all of yesterday's big run of livestock has been sold and that part of it has been weighed and delivered to purchasers.

Supervisory employees were weighing the animals and watering and feeding the backlog of 15,000 hogs, 2,800 cattle and 1,200 calves.

The striking livestock handlers voted to return to work today to take care of the livestock still in the yards. But the company rejected their offer. A spokesman said the company preferred that the men stay off the job until a new contract is signed. The old contract expired Nov. 1.

A federal conciliator was attending negotiating sessions.

A company spokesman said the members of the AFL livestock handlers union are seeking wage increases similar to those recently granted employees at the Chicago Stockyards.

Nine Lettermen Boost Blueboy Cage Hopes; Open Card In Kentucky

With football stowed in mothballs for another season, Illinois College coaches and athletes are launching a full scale basketball drive this week, hurriedly preparing for the season's opening only two weeks hence. Thirty athletes survived the first squad cuts and are working out every evening on the I.S.D. boards. The large squad includes nine lettermen of last year's winning outfit.

On the candidate list was every one of the starters on the 1948-49 Blueboy crew that won 18 of 24 games and tied Wheaton college for second place honors in the CCI conference.

Jerseyville Has 9 Vets To Defend Regional Crown

Jerseyville—Coach E. V. Halt's '49-'50 Jerseyville basketball team opens the season at Hardin, Tuesday, Nov. 22.

The Panthers face a full 20-game schedule plus Warden and Winchester invitational tournaments. Playing a full ten game Illinois Valley conference chart, the Jerseyites are tabbed one of the favorites for the title.

Halt is starting his second season of basketball tutoring at Jerseyville and welcomes back nine of the first ten boys that carried the Panthers to a regional championship last year. Six senior letter-winners include: Jim Shortall, Jim Warford, Stanley Miller, Roger Roth, Bill Reynolds and Dave Green. Only one junior, Hubert Hughes, is available.

Sophomore veterans are Roger Kanallakan and Erwin Freesmeyer. In addition to these nine boys, three regulars from Grafton's three-year high school are on the squad—Oren Legate, Gerald Nairn and Russell Patton.

First cage drills start Monday, Nov. 21, although non-football athletes have been working out for the past week.

Game Warden Gets Warrant To Nab US Representative

Mobile, Ala., Nov. 14.—(AP)—A game warden got a warrant today for arrest of Rep. Frank W. Boykin (D-Ala.) for illegal possession of bear meat.

But the fun-loving Alabama congressman wasn't around. He was out lion hunting in Mexico.

And while the warden waited for him to get back, charity patients at City hospital began eating the evidence.

The warrant was issued in Mobile county inferior court to Warden A. E. Nall, who seized a 300-pound black bear carcass in the representative's deep freeze locker Thursday.

The bear was killed while raiding a bee hive, and turned over to Boykin. He said he planned to serve it at one of his famous dinners for Washington officials.

Instead it was confiscated and given to Mobile's City hospital, where charity patients feasted on it today.

The warrant charged Boykin with possession of protected game out of season. There is no open season on bears in Alabama.

ALL-STAR SECONDS

Six-man football became a common sport in this vicinity the past fall, with the 2-C conference organizing for the first year and bringing football to small schools that would have never boasted a grid club under different circumstances. However, the Journal Courier did the conference one better and came up with a seven-man outfit to represent its All-Star second team.

Sunday and Monday papers carried pictures of the first team which berthed Sonny Longman, A. J. Kaufmann of Routt, Daryle Teger, Dick Casler and Bill dosia, halfbacks; Norman McQueen, Franklin, quarterback.

PICTURE PUZZLE: FIND THE BLOCKERS

"Oh my achin' back" is what Blueboy ball-carriers Don Smith—upper picture—and Dave Billings—lower—are thinking collectively as they are pinned by Augustana tacklers while more gold-clad Vikings are rushing in for the kill. These two shots were snapped by Bob Lewis during the Illinois College grid finale against Augustana here Saturday afternoon: last college ball game, worked wonders with perfectly timed cross-blocks and opened up huge holes for Blueboys ball-carriers. We don't know what photographer Lewis had up his flash unit when he snapped these pictures but he certainly caught the locals on two of their less brilliant maneuvers.

Illinois Valley Football Coaches Announce All-Stars

Jerseyville—Coaches of the Illinois Valley conference named first and second All-Star football teams at a meeting held in Jerseyville Monday night.

Jerseyville's championship outfit placed the most men on the top eleven holding the edge in four positions.

Pittsfield and Greenfield are represented twice on the All-Star club while the other positions are split between Roodhouse, White Hall and Carrollton.

The first team, ends—Don Beard and Rich Zimmerman, Pittsfield; tackles—Bob Waltrip, Greenfield and Kenny Jones, Jerseyville; guards—Roger Bailey, Jerseyville and Jim Severs, Roodhouse; center—Ken Knight, White Hall; Backfield—Bob Graner, Carrollton; Dean Cochran, Greenfield; Dale Bridgewater and Jim Warford, Jerseyville.

Second team—Ends—Smith, Jerseyville and Sitton, Roodhouse; tackles—Klunk, Greenfield, and McCarty, Pittsfield; guards—Peebles, Pittsfield and Howard, White Hall; center—Hutton, Roodhouse; backfield—Garner, Roodhouse; Conkright, Pittsfield; Barton, Pleasant Hill; Thurston, Jerseyville; Cannedy,

Greenfield and Crabtree, Roodhouse. Six backs were named to the second team because four of the boys finished in a dead heat in the voting.

Franklin Gridders Feted At Banquet For Performance

Franklin—Coach Joe Treat and his Franklin high school football team were feted at a banquet last night for their late season drive in the 2-C conference which saw them edge out the championship Routt six-manners in the final game of the season.

Approximately 40 Franklin businessmen were hosts at the banquet. Mildred Seeman and her high school home economics class served the dinner.

Treat and his assistant Paul Rush gave short talks and introduced team members.

Following the ceremonies a film, "Highlights of '49 Football," was shown the group.

War veteran John Ferguson, 27, is the oldest man on the University of Miami football team. He is a full-back and a junior.

The 1948 winning U.S. Open golf score of 276 recorded by Ben Hogan is the lowest score ever posted in that tourney.

Basketball fans will have many occasions to give those "hated" officials tongue lashings this season unless they check up on some new rules that the IHSAA has imposed on our prep cagers. Even then, the poor referee may be in for more than his usual ration of vocal blasts.

One rule change that shouldn't affect the officials, though it may bring the wrath of the fans down on the school janitor, is the color change in the iron frame-work of the basket. Apparently some rule-changer is against black and decided the change to the other Hal-loween decoration—orange.

Then, we have a couple of dillies designed to knock off stalling tactics in the closing minutes of play. First, if a player is fouled with less than two minutes of action remaining, he must shoot the free throw. But, here's the gimmick—if he makes the toss good, his team gets the ball out of bounds on the fifty-yard line, the same as if he were shooting a technical. Of course if he misses the gift throw, the ball goes to the rebounder.

Most debatable issue that will arise concerns another rule change that will forestall stalling, so to speak. An offensive player cannot stand away from the defensive player and hold the ball for a period of time (according to the discretion of the officials). In other words, the dribbler must walk right up to his opponent and invite him to spear the leather. Otherwise, 'tain't cricket old bean!

Meanwhile, when are the solons going to revise or give the boot to that ball handling rule concerning the offensive team's "hands off" policy just after they've scored. More nice guys have been penalized for retrieving the leather for a referee than we can count on our fingers and toes. To the official, it's biting the hand that feeds you, and to the punished athlete it's feeding the hand that bites you.

Zack Taylor Will Be Browns' Mentor Again Next Year

St. Louis, Nov. 15.—(AP)—The St. Louis Browns announced today that Zack Taylor will be retained as manager of the club next year.

At the same time owners of the club disclosed that Earle Bruckner, recently released by the Philadelphia Athletics as a coach, has been signed by the Browns. He will be in charge of the bullpen.

President Bill DeWitt of the Browns said the announcement on Taylor's status was delayed "by the fact that we wanted the entire field personnel to be lined up simultaneously."

Coaches Johnny Tobin, Ralph Winegarner and Fred Hoffman, with the club last year, also were signed to one-year contracts.

"After giving considerable thought to the matter during the past several weeks," DeWitt said, "we have come to the conclusion that Zack Taylor is the logical man to manage the Browns in 1950."

Charles suffered a leg injury while refereeing a wrestling match between Jimmy Londe and Wee Willie Davis in Phoenix last night.

"It may not be fractured, but the muscle is torn," said Mintz.

Nov. 17, 2 p.m. Baked goods, canned fruit, candy, fresh eggs, books, aprons and miscellaneous. Cafeteria supper 5-7.

BOWLING FOR EVERYBODY

Now that you have learned how to deliver the ball, the next step is to learn to send your ball where you want it to go in order to knock down the most pins.

Chapman Drops Excess Weight As JHS Cagers Start Heavy Workouts

Jacksonville high school basketball coach John Chapman defied bad luck Monday as he slashed his Crimson squad to thirteen and speeded up drills designed to prepare his boys for the season's opener at Virginia on Nov. 29.

Chapman, when making the cut, disclosed his plans for the entire year. He will keep the thirteen boys on his varsity squad, but only ten will cross for each game. Therefore, the varsity will be flexible all year and subject to change from game to game.

The Crimson have been showing up well in scrimmage sessions, but Chapman is not quite satisfied with his club's defensive showing. "We're going to work hard on defense," stated the Jack mentor.

Squad members who survived the cut and who will comprise the varsity include Bill Williams, John Rhodes, Dick Gotchell, Jack Chapman, Harvey Myers, Maylon Baldwin, Jim Beck, "Pee Wee" Campbell, Ike Wright, Ron Kemp, Bill Mounts, LaVerne Dillow and Hugh Millon. Assistant coaches Bob Kravshaat and Hal Wimberly are working with "B" and freshmen squad in grade school gyms this week.

Arenzville Five Nips Chandlerville In 37-36 Thriller

Chandlerville—Holding a ten point edge at halftime, Coach Roy Smith's Chandlerville Comets succumbed to an Arenzville scoring plunge in the third quarter and dropped a 37-36 cage tussle to the Cass county boys in the opening game of the season here last night.

After Arenzville, paced by Don Wessler, came up to within a point of the host Comets at the end of the third quarter, the two quintets jugged the lead back and forth throughout the last eight minutes of action. Arenzville pepped the winning basket with only seconds remaining to play.

Don Wessler was high for the winners with 13 points. Forwards Taylor and Reitzel did all the scoring for Chandlerville, getting 18 and 15 counters each.

The Arenzville seconds slipped Chandlerville 31-26 in the curtain raiser.

Ted Williams OK After Being Lost In Woods Monday

Ely, Minn., Nov. 15.—(AP)—Lost overnight in the woods, Ted Williams, Boston Red Sox outfielder, returned to the woods with other members of his deer hunting party today apparently none the worse for the experience.

But he said he "wouldn't spend another night like that for \$500."

Williams and seven companions were flown into the Basswood lake area, 20 miles north of here Sunday, Williams shot a ten-point buck and two others got smaller bucks.

Heavy winds and snow flurries prevented their plane from returning to pick them up. With the mercury at about 20, they built a big fire and waited for daylight. In the morning their pilot located them and brought them back to Ely.

Williams and members of his party went back to the same area for more hunting today.

Philly Eagles Lead NFL In Total Offense, Defense

Philadelphia, Nov. 15.—(AP)—The Philadelphia Eagles, 1948 National Football league champs and current league race leader, have added another plane to their bedecked helmets—the top rung in the league's offensive ladder.

League statistics released today show the Eagles moved into the number one spot last Sunday in beating the Washington Redskins, 44-21.

All season long, the Eagles have been the best defensive team in the 10-club loop.

The Redskins, by losing, fell into second place in total yards gained by a slim five yards. The Chicago Bears hold down third place, 19 yards farther back, followed by the Chicago Cardinals and the New York Giants.

They Really Beat The Bush

Chicago — (AP) — The expression "beating about the bush," is derived from the old pastime of beating about the bush. World Book Encyclopedia researches say the diversion began in the 1400's in England, and it resulted in many a night out for men who hunted birds and were known as batfowlers. It adds: "The batfowlers, armed with a light and a weapon resembling a baseball bat, continuously surrounded a large bush. The one hunter would beat the other small bushes nearby to frighten the birds in the large bush. Dazzled by the light, the birds floundered about while the hunters swung their clubs, trying to render the birds senseless with a blow on the noggin. It was from this 'sport' that 'beating about the bush' wormed its way into our language."

Where the boys went from there is lost in the mists of history.

ROODHOUSE

Roodhouse—Mr. and Mrs. A. L. Lucas and Harry Rawlins visited Sunday with their cousins, Mr. and Mrs. George Harbert, at Morrisville.

A family dinner was held at the home of Mr. and Mrs. Tote Van Bibber near Scottsville Sunday honoring the Saturday birthday of their daughter, Mrs. Ned Hopkins, and that of Mrs. Van Bibber on Monday.

Bob Tennill, a student at Alexian Brothers male nurses' training school in St. Louis, spent the weekend with his parents, Mr. and Mrs. Jack Tennill.

Mr. and Mrs. Ray Doyle of Chicago, formerly of Roodhouse, spent the weekend here with relatives. Representatives from all the different organizations and churches attended a meeting of the Roodhouse Community Christmas organization, held at 3 p. m. Sunday at the American Legion hall. Clarence Ingle was elected president. William Day vice president. Mrs. Ross Manning secretary. Rev. W. W. Williams treasurer and William Hannafoord a new trustee.

DINOSAUR BONES FOUND

Sydney, Australia — (AP) — An Australian woman paleontologist looking for fossil forminifera (microscopic shells which usually indicate oil-bearing strata) found inside the fossilized skeletons of five giant dinosaurs. She was Miss Irene Crespin, an Australian scientist, who was searching for oil near Roma, in Queensland.

The dinosaurs, creatures up to 100 feet long, apparently browsed in the swamps which existed near Roma in Mesozoic times. As the swamps dried out and mud became stickier, the ungainly animals weighing between 40 and 50 tons were trapped and died.

Ancient swamps are always good hunting-ground for fossils and for oil. Recently at Lake Callabonna, in South Australia, a rich store of fossilized remains of giant wombats (Diprotodon australis), and extinct marsupial the size of a small elephant, was found.

RABBIT GETS CASH

White Sulphur Springs, Mont. — (AP) — Kenneth Fallang says there's a snowshoe rabbit hereabouts "with about \$15 in U. S. currency inside him." The rabbit also contains a Masonic Lodge card if Fallang figures correctly.

Fallang, deputy game warden, says he was dressing an Elk when his wallet fell to the snow from his hip pocket. He went home without it, later returned to the scene of his loss.

There were rabbit tracks leading to the wallet and other identical tracks where the rabbit had departed. The leather wallet was chewed into strips. A five dollar bill and two-thirds of a \$20 bill were missing, along with the membership card.

LOS ANGELES ONCE HAD PENGUINS

Los Angeles — (AP) — Penguin-like birds which could not fly swam around the Los Angeles area 3,000,000 years ago, says Dr. Loye Miller of the University of Los Angeles. Enough fossil remains have been found to give a good picture of the Los Angeles penguins. Today, the only wild penguins are in the Antarctic.

The CAMEO

By Virginia Teale Copyright, 1949, NEA SERVICE, INC.

THE STORY: Martin Falter has been murdered and the motive seems connected with a valuable cameo which he was trying to sell through Arnold Pfeffer, Nell O'Neill claimed the cameo was hers. Hagar Blair, gift shop owner, who wanted the cameo, discovers the murdered man and her assistant, Stephanie Smith, comes on the scene soon after Hagar's house, they and the cameo in Hagar's collection. Pfeffer listens as Stephanie reveals she is Nell O'Neill's niece, unrecognized by Stephanie's mother, later Andrew Yakov, who also has reasons for wanting the cameo, calls on Hagar.

XIV

HAGAR BLAIR considered Andrew Yakov's request to see her cameo collection. It might show how much he knew about cameos. But her finest pieces were in the bedroom and Stephanie was in there. She might show him the cabinet in her studio.

"If you'd like to see a few minor pieces, come along out to my studio."

Yakov eagerly followed her outside to a shed in the rear of the yard. She unlocked a padlock on the heavy redwood door. Yakov stood outside until Hagar turned on the light.

It appeared that Hagar Blair was a competent sculptor, but not a genius, he decided, surveying her work. "Enchanting," he said. "You work much in wood, I see."

Hagar glanced suspiciously at the Russian, but saw in his face only enthusiasm and admiration. Grudgingly, she began to think of him as not a bad fellow, after all. "Here are the cameos," she said, her voice almost cordial. Yakov did not miss her changed tone and smiled.

Yakov peered in. "Very interesting pieces. I see no carnelians." "I like the carnelians best and keep them in the house where I can look at them. That sardonyx, fourth from left on the fifth shelf, is very similar to the famous Tazza Farnese. You've seen it at the Metropolitan Museum, I suppose?"

"Yes. I went there several times to look at it. A wonderful piece, most exquisite!"

Hagar's next words came out precisely and coldly: "The

Honest Abe District Holds Annual Meeting

More than 400 Boy Scouts and friends of Scouting from the Honest Abe district met last night at the Illinois School for the Blind. A potluck dinner was served at 6:30 p.m. Two young Jacksonville civic leaders were elected to lead Scouting activities in this area for the coming year. The Honest Abe district comprises Morgan, Scott and the northern seven townships of Greene county.

Willard Cody was elected district commander. He succeeds Edward D. Bargery, Jr., who has held the post for the past four years.

Harlan Williamson, Jr., was chosen district commissioner. He succeeds Oscar Galloway. William Fanning of Woodson was named vice chairman.

Nominations Approved

Those attending last night's meeting unanimously approved the recommendations of the nominating committee, which consisted of W. O. Randall, chairman. Rev. Lewis N. Raymond, Harry G. Story and Waldo McCreery of Jacksonville. William Fanning of Woodson, J. F. Ashbaugh of Waverly and Charles Walford of Bluffs.

Chairman Bargery received a Scout statuette in commemoration of his four years of service to the district, which showed a substantial growth during his tenure. In 1946 there were 32 units, with an enrollment of 681 boys. Today there are 50 units, with a membership of 907.

Ceremonial Opens Meeting

Ronnie Smith of Scout Troop 107 led the opening ceremony and the invocation was pronounced by Dr. Robert Bullington. Jim Welch and Millie Kent sang several songs, accompanied by four members of the junior high orchestra.

Chairman Bargery introduced Leo Flood, superintendent of the school for the blind, W. H. Kurtz, president of the Abraham Lincoln council, executive board members and district committee chairmen.

Mr. Bargery also led a service in memory of Cub Scout John Murray, of Pack 107, sponsored by the Lafayette P.T.A.

William E. Hoffmann of Springfield, executive of the Abraham Lincoln council, spoke briefly.

D. M. McDermott, district executive, reviewed the year's work and outlined many helpful civic activities proposed for 1950.

Series Of Elections For Administrators Of '50 Farm Program

A series of community meetings to choose farmer Production and Marketing administration committeemen got underway in Morgan county last night and will be continued through next Tuesday, Nov. 22.

Wallace T. Hembrough, chairman of the present county PMA committee, said yesterday that the annual elections were being held this month to choose personnel in each township who will be responsible for the administration of next year's farm program.

Eligible voters in each community will elect three regular community committeemen and two alternate members in addition to a delegate and an alternate delegate to the county convention, which will convene Nov. 29 for the purpose of selecting a 1950 county committee.

These committeemen are responsible for the local administration of such programs as agricultural conservation, loans and purchase agreements, allotments and other measures which affect all farmers.

According to Mr. Hembrough, any producer who is taking part in the agricultural conservation program is eligible for a loan or other price support, is eligible to cast a vote.

"This," he said, "includes practically all farm producers, owners and tenants alike."

A listing of the time and place for voting in each community has been prepared by the county office, and mailed to each and every known eligible voter. Chairman Hembrough emphasized that every effort will be made on the part of the county committee to properly inform farmers of the election and to secure a record-breaking vote.

A member or representative of the county committee will be present at each election meeting to discuss current program operations.

In emphasizing the importance of taking part in the election, Mr. Hembrough advised of the need for maintaining a strong farm program. He pointed to the committee system as a unique and important feature of a good program.

"It is through this system," he said, "that farmers have an opportunity not only to influence program provisions but also to actually administer such programs on a local basis. A large and intelligent vote is the best means of preserving and strengthening this system. It is highly essential that the best men in each community are elected to fill these responsible positions."

The remainder of the election schedule follows:

Wednesday, 7:30 p.m., 13-10, Murrayville town hall; 15-9, Orleans Grain office; 16-8, Berea Christian church.

Thursday, 1:30 p.m., 13-9, Nortonville hall; 7:30 p.m., 13-8, Alexander Methodist church; 15-9, Hebron church.

Friday, 7:30 p.m., 13-8, Waverly high school; 16-11, Colcord town hall; 16-12, St. Paul's Lutheran church.

Saturday, 1:30 p.m., 16-13, Meredosia city hall.

Monday, 7:30 p.m., 14-8, Luther Wilely Home; 15-11, AAA office Jacksonville; 15-12, Chapin town hall.

Tuesday, 7:30 p.m., 14-11, Lynnville.

Winchester Lodge Convenes Monday. Elects Officers

Dr. Robert Hartman spoke to 60 H-Y boys on Monday evening in the second program of a series on "Preparing for Parenthood" now under way at the Y.M.C.A. His subject was "A New Human Life."

A movie appropriate to the subject was shown, and an extensive question period followed.

There will be no meeting next Monday evening due to the ministers' show at the high school. The third in this series of programs will be held Monday, Nov. 28, at which time Dr. E. Bone will speak.

Miss Emily Deterding, Garland Winkelman Wed

Father Of Bride Conducts Rites At Neelyville

Miss Emily Deterding of Bluffs became the bride of Garland Winkelman of Arenzville in a double ring ceremony performed by Rev. John Deterding, father of the bride. The double ring ceremony was held in Trinity Lutheran church at Neelyville Sunday, Nov. 13, at 6 p.m. Rev. W. V. Neuendorf, pastor of the Trinity Lutheran church at Arenzville, delivered the address. Decorations were vases and baskets of white, yellow and bronze chrysanthemums, and potted plants.

The bride, a member of the Neelyville church, has been a resident of Quincy the past few years, where she was active in the St. James Lutheran church and choir. She recently resigned her position at Universal-CIT Credit corporation there.

The bridegroom, who is engaged in farming, is the son of Mr. and Mrs. William Winkelman, Sr., of Arenzville. He is a member of the Arenzville Lutheran church and president of the Lutheran Laymen's league there.

Organ Recital

Charles Winkelman, sister-in-law of the groom, gave a quarter-hour organ recital before the ceremony, with "Jesus, Joy of Man's Dearing" as "Processional" and "Blest Be the Tie That Binds" as recessional.

The bride wore a white satin gown with sweetheart neckline, fitted bodice, long pointed sleeves and a full skirt ending in a train. Her long veil of nylon net was held in place with a satin tiara trimmed with net. She wore a double strand of pearls, the gift of the groom, and carried a white prayer book topped with white roses, baby mums and long white streamers.

Maid of honor was Lorna Deterding and bridesmaid Betty Deterding, sisters of the bride; brides-matron was Mrs. Martin Duerwer, sister of the groom. They wore gold and copper and green faille taffeta with short sleeves, matching mitts and bonnet type headresses with matching ostrich plumes. Their chrysanthemum bouquets contrasted with the color of their gowns.

Refreshments were served by the hostess to 17 members and one guest, Mrs. Edith Stringer of the Murrayville unit.

The next meeting will be a potluck to be held at the home of Mrs. Meda Andras on Dec. 9.

Letters Written In 1846 Heard By Tuesday Club

"My Grandfather's Letters" provided the subject of the program given by Mrs. T. C. Jenkinson of the Tuesday club at the home of Mrs. Bryce Wall, 946 Edgemoor road, Tuesday afternoon. The letters, now in possession of the grandchildren of Captain John B. Duncan, are 103 years old, exceptionally well written, and approved by historians.

As a volunteer in the Mexican war, Mr. Duncan described the trip from Alton, the hardships endured in the many miles of marching and the battle of Buena Vista. On his return he was associated in later practice with Abraham Lincoln and other men of fame. He became a captain in the Civil War. Many of the letters, which are well preserved, were displayed by Mrs. Jenkinson.

During the business session, conducted by the president, Mrs. C. R. Gibson, the group voted to contribute to the community chest fund.

A social hour was held, and refreshments were served by the hostess.
